MEMORANDUM FOR: Acting Deputy Director (Support)

SUBJECT : Weekly Report for the Week Ending 5 August 1955

1. General

Agency-Defense Unconventional Warfare Support Planning

A meeting was held by Agency planning elements with representatives of the Department of Defense to explore methods of implementing the Agency-Defense joint agreement concerning unconventional warfare planning. Agreement was reached on the following:

(1) Resolution of Agency-Defense problems concerning logistics support will be effected between this Office and the logistics planning elements of the Department of Defense.

(2) This Office will participate with representatives of PPC/DD/P and the Department of Defense in staffing a field team to reflect Agency-Defense Headquarters views in the development of unconventional warfare plans.

2. Administration

a. Personnel Ceiling

Personnel increases previously submitted in the FY-56 operating budget are being re-evaluated to determine if any reduction can be effected through the realignment of present assigned functions in conjunction with additional workload previously indicated.

b. Supply Training

To help resolve the problem of obtaining qualified ammunition inspectors for overseas assignments, contacts have been made with both the Army and the Navy to ascertain what schools are currently being conducted to which Agency personnel could be sent.
